

April 8, 2011

Ryan Oberer
QA/QI Supervisor
Active Solutions, Inc.
2730 San Pedro NE, Suite H
Albuquerque, NM 87110

Dear Mrs. Oberer:

It is my pleasure to inform you that Active Solutions, Inc., has been accredited by CARF for a period of three years for the following services:

Community Services: Community Integration
Community Services: Host Family Services
Community Services: Respite Services
Community Services: Supported Living

Employment Services: Community Employment Services: Job Development

This accreditation will extend through May 2014. This achievement is an indication of your organization's dedication and commitment to improving the quality of the lives of the persons served.

Mrs. Oberer, please also be advised that the CARF surveyors made no recommendations, which signifies that they did not identify any areas of nonconformance to the standards. This is an extraordinary accomplishment, as only 3 percent of CARF surveys result in no recommendations.

Everyone involved in your organization should take pride in achieving this high level of accreditation. CARF will recognize this accomplishment in its listing of organizations with accreditation, and we encourage you to make this accomplishment known throughout your community. Communication of this award to your referral and funding sources, the media, and local and federal government officials will promote and distinguish your organization. Enclosed are some materials that will help you to publicize this achievement.

Your Certificate of Accreditation is being sent under separate cover. Please note that you may use the enclosed form to order additional copies of the certificate.

If you have any questions regarding your organization's accreditation, you are encouraged to seek support from a Resource Specialist in your customer service unit by calling extension 7131.

We encourage your organization to continue fully and productively using the CARF standards as part of your ongoing commitment to accreditation. We commend your commitment and consistent efforts to improve the quality of your services. We look forward to working with your organization in the future.

Sincerely,

Brian J. Boon, Ph.D.
President/CEO
