In-Home Living Support

In-Home living supports is a program designed for individuals on the MiVia waiver who can live in their own home, with family or friends, and receive supports to enhance home living skills.

"Hi my name is Melisa, I chose Active Solutions Inc. because the staff make me feel at home. I like to be independent and have my personal space and ASI has made that possible." -Melisa

To encourage independent living skills support staff will provide assistance in the following:

- Grooming
- Health Care
- Medication Management
- Transportation
- Personal Care
- Shopping
- House Keeping
- Community Involvement
- Banking
- Money Management
- Meal Preparation

Community Direct Support

We offer a wide variety of hours every day of the week for individuals who wish to be connected in their community. Support staff will ensure the safety and promote the development of relationships within the participant's community.

Customized Community Group Support

Our Day Services Program provides individuals the opportunity to develop relationships, hobbies, and skills at their own pace. This program allows participants to participate in activities of their choice and get more involved in their community.

Employment Support

We offer assistance for individuals on the MiVia waiver to obtain and maintain employment.

Employment Services

- Create a job development plan to identify areas of job interest
- Develop resume, application and interview skills
- Identify natural supports in the workplace
- Assist the participant in learning job tasks
- Assist in communication with supervisors

This is Ricky he has two jobs. He does Custodial work at one of ASI's offices, and works at a green house in Edgewood. Ricky takes pride in what he does and with assistance from his job Couch he is able to accomplish his work duties.
