Anyone who is going on an outing does need to be at Moxie by 10:00 to secure his/her spot (call if you will be arriving after 10:00 and would like to hold your spot). Pick up time must be scheduled after 1:45. Please ask about individuals account balance, if individuals account has insufficient funds individual will not be going on that said outing. Each individual is guaranteed an outing at least once. Turning in this page ASAP will better the individual's chances of going on the outing more than once.
